

THE PROUD POSSESSION of Jean Beaudoin, a Canadian boy from Grand Mere, Quebec, is this car he built for a total outlay of \$500. A welder, Jean traded work for many of the parts of the car. It has a body which is a fiberglass replica of a 1923 Dodge; a '57

Thunderbird engine; a '39 Ford Transmission; a '40 Ford rear end, with a four to eleven gear ratio; a home-made frame, and a beer keg for a gas tank. When Jean came to Torrance two years ago, he didn't know anything at all about cars.

BEER BURNER? NO, not at all. This hand-crafted car just uses a beer keg for a gasoline tank. It was built by Jean Beaudoin, a boy from Grand Mere, Quebec, who couldn't speak English and knew nothing of cars when he

arrived in Torrance two years ago. Jean is sponsored by Walter Welch, assistant vice-president, Marina Federal Savings & Loan Assn., of 1640 W. 205th St., Torrance. Total cash outlay was \$500.

NO TIME TO HATE

If I wished to punish my enemy, I should make him hate somebody.

Hannah More
